

GRAHAA SPACE

Near real-time geospatial video data

info@grahaa.com

About Us

Grahaa Space is on a mission to provide on-demand, near real-time geospatial videos of any given location on earth, captured and streamed through our advanced constellation of earth observation nano satellites.

Our patent-pending technology with edge computing capability enables on-board processing and transmission of the video data on-demand to public and private organizations through our secure AI powered web portal.
